

The annual Hispanic Heritage Photo Exhibit was a project devoted to all the pioneering families of Chandler. Through photos and stories, the exhibit shares the struggles, self-reliance, resilience, and pride of these families to shape the roots of the Hispanic community today.

Special thanks to the Human Relations Commission, Arts Commission, Vision Gallery, Chandler Museum and the numerous volunteers who helped with interviewing and writing the bios for each year's exhibit.

The City of Chandler expresses heartfelt gratitude to all of the families that generously contributed each year to the Hispanic Heritage Photo Exhibits.

Click on a year below to explore the photos and stories from that year's exhibit.
