

The volunteer program at the Chandler Museum is essential in ensuring that the Museum meets its mission. We are continually looking for individuals who will help us better serve the community. Chandler Museum volunteers have the unique opportunity to support history, art, and culture while learning new skills and meeting people with similar interests. Volunteers play many roles at the Museum, including planning and staffing special events and programming, learning with visitors, caring for artifacts and the oral history collection, and offering administrative support.

How to apply: Volunteer applications are accepted on an ongoing basis. Volunteer assignments are made based on the needs of the Museum and the applicant's interests and skills. Complete the [volunteer application](#) and submit by mail, fax, or in person.
