

CHEESE BALL

Nancy Meyer

4 oz. crumbled blue cheese* 1/2 tsp. Worcestershire sauce
2 sm. pkgs. cream cheese* 1/2 sm. onion, grated
6 or 8 oz. very sharp cheddar cheese* 1/2 c. chopped pecans
1/2 c. chopped parsley (dried or fresh)

*Bring cheese to room temperature to mix well.

Mix together cheese, Worcestershire sauce and onion. Then mix together pecans and parsley; save 1/4 of this mixture to roll cheese balls in. Mix remaining 3/4 into cheese mixture and form into two (or more) balls. Roll balls in pecan/parsley until coated. Delicious with crackers and/or chips.
